

PUREHEAT+ FEATURES & SPECIFICATIONS

MAIN FEATURES

- 2 Appliances in 1 with Independent Operation (5600 BTU Heater with Humidifier & Air Purifier)
- PTC Infrared Heating Element for Clean Heat
- PCO Air Purification for Fresh, Breathable Air
- Built in Humidifier for Soothing Air Quality
- Adjustable Temperature Setting by 1° F
- Variable Speed Fan for Constant Room Temp
- Purification Reduces Mold, Bacteria, & Viruses
- Easily Cleaned Rear Filter
- Timer Function for Turning On/Off Over Time
- Casters for Easy Mobility within a Space
- Wood Grain Design for Great Aesthetics
- Simple Control Panel & Remote for Ease of Use
- Overheat & Tip Over Shutoffs for Safety
- Quiet Mode for Silent Operation
- Extremely Low Maintenance & Operating Costs

WARRANTY

- ~ 3 Year Limited Warranty

SPECIFICATIONS

- ~ Voltage: 120V ~60Hz
- ~ Power: Up to 1500 watts
- ~ Heat Output: 5600 BTU
- ~ Remote Battery: CR2025
- ~ Temperature Control Range: 60-90° F
- ~ Air Filter: Lifetime Washable
- ~ Air Purifier: Photo Catalytic Oxidation (PCO) Cell
- ~ Humidifier Water Tank Capacity: 36oz
- ~ Coverage: Up to 1000 ft²
- ~ Dimensions: 15"x13"x15" (HxWxD) | Weight: 25lbs
- ~ Heating Element: Infrared Positive Thermal Coefficient (PTC) Element
- ~ Expected Life: Heating Element - 80,000 Hours | PCO Cell - 10,000 Hours
- ~ Certification: ETL US & Canada by Intertek

PACKAGING

- ~ Dimensions: 18.25"x16"x19" (464mm x 406mm x 483mm)
- ~ Weight: 33lbs (14.97kg)
